

Amphibian Care Sheets

Frog/Amphibian Care SheetsAxolotl Care Sheet

It is difficult to think of a more unusual display animal than the axolotl, and its bold and tame nature makes it an interactive pet.

By John ClarePac-Man Frog Care Sheet

Due to their forgiving nature, ease of care, and the availability of captive-bred specimens, Pac-Man frogs make great pets.

By Joshua WillardPoison Dart Frog Care Sheet

Poison dart frogs are one of the most colorful and fascinating pets in the reptile and amphibian world.

By Patrick NaborsSpotted Salamander Care Sheet

Spotted salamanders have always attracted a cult following of fans due to their submissive nature, ease of captive care and relative obscurity in the pet trade.
