

## Herp House Hunting

**Find the right enclosure for your next natural vivarium.**

*By Rex Lee Searcey*

Many kinds of enclosures on the market can be used for reptiles and amphibians. What will work best for you largely depends on what you plan to keep in it and how much you're willing to spend. This article reviews some commonly available cage types appropriate for a wide variety of herps. Any could be used to create the natural vivarium setup you've always wanted.
