

Breeder's Choice

Extreme-Red Albino Western Hognose Snake (Heterodon nasicus)

Justin Mitcham, ExtremeHogs.com, 817-500-2014

BREEDER COMMENTS: "This 2008 male is one of the best examples of this morph and arguably one of the finest-looking morphs we have in the hobby. Huge pattern, extreme-red coloration and this snake's incredible natural personality have made this project very enjoyable. With all the new morphs becoming available, hogs definitely have an exciting and colorful future."
